T. A. to Members of R. A. Dft. Addn. Difference is drawn in the S. O. dt 12th/11/23 between Malnad & Maidan for grant of mileage. There is no definition or description of Malnad in the M. S. R., the wording used being "Special Tracts". Art. 634 & App. S. 68.

Dft. The words "Special Tracts" have been substituted in the Addendum slip for the words "the malnad" used in para 3 (2) of the order of 12-11-23

~~The appropriate place for this Schedule is to be in the R A rules~~

The addendum proposed is one regulating the "Scale of travelling allowance" and the appropriate place for its insertion in the M.S.R is in Section II of Chapter XXXI. Instead of therefore of inserting a new clause (d) under Art 550 as proposed in draft, a new article 539-A may be inserted on page 168.

Articles 549 & 550 have similarly also been brought under Chap XXXI, but they require considerable revision in view of the revised arrangements to come into force as a result of the Constitutional Reform

As in the Go. of 12.11.23 Special rates have been allowed only for the Malwad, it is doubtful if the benefits of these rates can be extended to

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. 1024-83—Ref. 29-22-2, dated 12th November 1923.

Travelling Allowance.

Passes orders regarding the grant of —— and providing accommodation and other facilities to the Members of the Representative Assembly.

READ—

Subject No. 205 of the subjects discussed at the Representative Assembly Session of October 1922 regarding accommodation and grant of travelling allowance to the Representative Assembly Members and the following reply of Government thereto, *viz.*—

"The question of giving facilities will be investigated by the Mixed Committee."

2. Correspondence ending with letter No. 250, dated the 21st March 1923, from the Special Officer for Reforms, forwarding the recommendations of the Reforms Committee.

ORDER No. 1024-83—REF. 29-22-2, DATED 12TH NOVEMBER 1923.

The Members of the Representative Assembly do not, at present, receive any travelling allowance for their journeys to Mysore to attend the Sessions of the Assembly. They are, however, given Lavajama or its equivalent in cash. Government also make special arrangements, as far as possible, for providing accommodation to the Members of the Representative Assembly.

2. The question of granting travelling allowance and providing accommodation and other facilities to the Representative Assembly Members has been brought up at the Assembly more than once but the opinion of the Members was divided. When the subject was brought up in the Dasara Session of 1922, Government promised to refer the matter to the Mixed Committee appointed to work out the details of the Scheme of Constitutional Developments.

3. The Committee have submitted the following proposals:—

(1) That an amount equal to a single second and a single third class fare may be paid to each Member for Railway journey.

(2) That a sum of Rs. 5 for every 15 miles and fraction thereof in the Malnad, and for every 20 miles or fraction thereof in the Maidan may be paid. No mileage need be paid for places within a distance of 5 miles from the Railway.

(3) That Rs. 5 per day may be fixed for halts.

(4) It should be made clear that these allowances are paid for attendance during the whole Session. The Government will provide accommodation to the Representative Assembly Members, as far as possible, and may charge up to one rupee a day for the accommodation so provided.

(5) That the accommodation in the Representatives' Home should be increased as soon as funds permit and the existing conveniences may be improved.

(6) That the system of lavajama may be abolished when payment of travelling allowance as above is introduced.

4. Government are pleased to sanction the above proposals with the observation that they cannot guarantee that accommodation will be provided in all cases. In the case of those for whom accommodation is found, actual charges not exceeding one rupee per day for the entire period for which the accommodation is provided will be levied.
